History. The first combi steamer was invented in the late 1960s by the company Burger Eisenwerke. The company was purchased by Juno in Herborn in 1976 and is now part of the Swedish corporation Electrolux, who developed the appliances further and now markets them under the Electrolux professional brand name.. The technology has been under constant development since its invention.

Combi steamer - Wikipedia

Used Steam Ovens. Used steam ovens are essential pieces of kit for any restaurant. As a UK-based second hand catering equipment supplier, we offer a large range of combination and rational ovens. Often, the cost of these goods is prohibitively expensive but we're able to provide excellent ovens at up to 60% off retail prices; this is just one of many reasons why we have so many delighted ...
